 EXPORT CARTON: 8435430628739 8435430628753

DESCRIPTION

- Over-ear wireless headphones with a foldable design, created to deliver an immersive sound experience and total comfort during long listening sessions.
- They feature powerful 40 mm dynamic drivers that provide balanced audio with excellent bass and treble response.
- Their 500 mAh battery offers an impressive autonomy of up to 45 hours of continuous playback. They fully recharge in just 3 hours via USB-C, ensuring convenience and efficiency for everyday use.
- The over-ear design fully surrounds the ears, providing improved passive noise isolation and reducing listening fatigue. Combined with active noise cancellation (ANC), this significantly enhances the immersive experience, whether listening to music, making calls, or enjoying multimedia content.
- They include a built-in microphone for hands-free calls and direct access to voice assistants such as Siri or Google Assistant. In addition, they feature on-ear controls to manage volume, playback, and calls without needing to use your phone.
- Their foldable structure makes storage and transport easy, making them an excellent option to carry in a backpack or bag and use anytime, anywhere.
- They also include a Gaming mode, which delivers lower latency to optimize the gaming experience.

MAIN CHARACTERISTICS

- Compatible with bluetooth 5.4
- Active Noise Cancellation (ANC)
- Control buttons
- Hands free
- Battery: 3.7V/500mAh
- Working time: 45 hours*
- Working distance: up to 10 meters
