DESCRIPTION

- 2m Fast Charging Cable for Devices up to 240W
- This cable supports USB 4.0 standards, enabling data transfer speeds of up to 40Gbps.
- With this USB-C cable, you can transfer 1GB files in less than a second!
- Ideal for connecting or charging your new USB-C mobile device.
- Thanks to its highly durable materials, it has passed over 3,000 bending tests and 10,000 insertion and removal tests.
- The product can withstand a tensile force of over 20kg, ensuring long-lasting durability.
