## DESCRIPTION

- Portable speaker which is compatible with Bluetooth technology, USB/TF audio input and Auxiliary Input.
- Thanks to its incorporated battery and handle, you can take your music with you anywhere easily and conveniently.
- Its 80W of power and LED lights will enable you to throw a party wherever you go, and if that's not enough, double the volume by wirelessly connecting 2 WILD SWAGs thanks to the TWS function.
- It features control buttons on the top and a microphone input with karaoke function.
