DESCRIPTION

- Wireless headphones compatible with True Wireless Stereo technology and Bluetooth 5.3
- Equipped with ENC technology that enhances microphone quality in all communications.
- Automatic connection function to turn on the headphones and sync them by taking them out of the case.
- The charging case has a 400mAh battery that can fully charge the headphones 3 times and provides up to 28 hours of battery life.
- Touch Sensor to manage all important functions (Next/Previous/Pause/Play/Volume/Voice Assistant) with a simple touch.
- Make a call or contact your voice assistant through the built-in microphone.
- The earbuds have a 35mAh battery capacity, providing 7 hours of battery life with a single charge (at 70% volume).
- Minimalist and ultralight design that provides a comfortable and secure fit.
- Includes touch control buttons on both earbuds for easy operation.
- Play your music with just a soft touch.
- Thanks to its hands-free function, you won't have to manipulate your phone.
- The charging LED indicates at all times whether the headphones are charging or fully charged. Similarly, the charging indicator LED of the case informs you when it is charging or if it is at 100% capacity.
- Due to its compact size and compact case that allows for comfortable and safe transport, you can take it wherever you want.
- Includes ear pads in 3 different sizes (S/M/L) to fit perfectly to your ears.
- Wireless range of 10m.
