GIFTBOX: 8435430620443
 EXPORT CARTON: 8435430620450

PVP: 114 €

DESCRIPTION

- Wireless gaming headset with 2.4 GHz technology, LED lights and charging base.
- Superior range of acoustics (7.1 virtual sound), along with ergonomic fit, comfort, lightness and clarity of communication for the most demanding players.
- Equipped with an adjustable headband and 90° rotating earphones that better adapt to the ear, making it comfortable to wear them during long sessions.
- Features an omnidirectional microphone that offers great voice clarity, and is also removable, so you can take the headphones with you anywhere you want to listen to music connected via 3.5mm jack.
- Enjoy up to approximately 21 hours* of autonomy thanks to the integrated battery.
- Its charging base has an optical, jack and micro USB input.
- Compatible with: TV, PS4 & PS5, XBOX** PC, Nintendo Switch and Mobile gaming.
